A Message from the Mayor

It gives me great pleasure to welcome you to the Virtual Museum for Asian Canadian Cultural Heritage, an initiative of Asian Heritage Month – Canadian Foundation for Asian Culture (Central Ontario) Inc.

Asian Heritage Month has been celebrated in Toronto for many years and is an opportunity to acknowledge the significant contributions made by Canadians of Asian descent to our economic, social and cultural fabric. Asian Canadians have a deep history in the development of Canada and have helped shape many vibrant communities across our vast country and particularly in our city.

The Virtual Museum for Asian Canadian Cultural Heritage is a wonderful vehicle for Asian Canadian cultural expression. It is a forum that fosters recognition and appreciation of the diverse cultures of Asian Canadian Society and provides visitors insight into the innovative and creative potential that comes from the interaction of different cultures.

On behalf of Toronto City Council, I congratulate Asian Heritage Month – Canadian Foundation for Asian Culture (Central Ontario) Inc. for its efforts in launching this Virtual Museum. Please accept my best wishes for continued success.

Yours truly,
